

Welcome message from the Founding Editor-in-Chief

Dear our readership, authors, reviewers, Editorial board, staff and all others who will contribute to the success of the *“Dental and Craniofacial Research”*

It is an honor to take over the position of Founding Editor-in-Chief of the Dental and Craniofacial Research focusing on a common platform for researchers in the field of dentistry, oral health, craniofacial and maxillofacial study, starting my mission from now. Dental and Craniofacial Research publishes articles on injuries and diseases or defects in the face, neck, head, soft and hard tissues of mouth and teeth. It is also concerned with the oral diseases and care. I wish to do my best to establish the quality and impact of Dental and Craniofacial Research and hope to develop and then to maintain the journal’s integrity and move to forward in the future.

It gives me great pleasure to welcome you to the first edition of *“Dental and Craniofacial Research”* for I will act as Editor. It would be a pleasure to hear from you. I look forward to working with all of you.
